Assessments and Dam Repair

Sherwood Lake Club may assess its members for expenses that cannot reasonably be paid from the normal operating funds of the Lake Club. The annual insurance assessment for 2022 was \$70 per member. There are currently known issues related to the dam which necessitate repair. A detailed narrative regarding the dam repairs and condition and an engineering study regarding the dam can be found at the club website: sherwoodlakeclub.org. The Lake Club has applied for a FEMA grant to pay for all or a portion of the repairs. We are hopeful the cost of repairs to be paid by the membership (assessment) for the dam will be greatly reduced after receiving the grant payment. Once known, the Lake Club board of directors will determine the appropriate allocation of costs (assessment), if any, between A and B members. I/We, the undersigned hereby make application for membership in the Sherwood Lake Club, Inc. If accepted for membership to the Sherwood Lake Club, Inc., I/We hereby promise to comply with and be bound by the Articles of Incorporation, the Bylaws, the policies, rules and regulations of the Sherwood Lake Club, Inc.
